CHATEAUFORM

NUMBER 1 FOR SEMINARS IN EUROPE

Our vision

A green retreat

In the country, something is different.
A calm presence settles over the space. Tensions dissolve. Teams connect. And your seminar objectives come into focus with new clarity.

Our venues are more than just locations: they're houses steeped in history, nestled in nature, where productivity thrives *because you can truly breathe.* A host couple and their team are always on hand, with that added warmth that keeps everything running smoothly and transforms a meeting into a pivotal moment.

For us, nature is not a backdrop; **it is a vital force that supports your goals.** It refocuses, unites, and creates connections when slides just aren't enough. A country path becomes a space for brainstorming. A wooded park, a setting for team building.

In nature, everything flows. Discussions deepen. Decisions take shape. You leave recharged, united... and ready to move forward together.

For 30 years,
Chateauform has turned country homes
into accelerators of ideas, connection & performance.

Teams align naturally...

and create impact instantly.

Château de Fillerval

An 18th-century château dedicated to the stars and great explorers.

An invitation to chart new directions.

The former home of the Cassini family, a dynasty of astronomers and cartographers, *just 1 hour from Paris*

At Château de Fillerval, history is all around. Once home to generations of astronomers and royal cartographers, the 18th-century château still bears their legacy, from the Map Gallery to the Observatory.

With 77 bedrooms and 16 meeting rooms, there is space to explore ideas, map out new directions and look further ahead. Meeting rooms range from a plenary room for 150 people to more informal settings, including the "Salle des Voyages" and its World Café for 75 participants, designed to encourage open discussion and collective thinking.

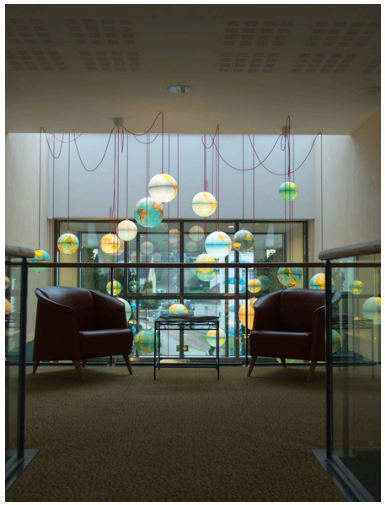

The Chef's generous cuisine remains firmly rooted in the region, drawing inspiration from local flavours and produce.

Between sessions, explore the 17-hectare park and its forest-bathing trail – a chance to slow down, breathe and refocus before the conversations continue.

The Chateauform cuisine,

the beating heart of your seminar

At Chateauform, we believe in the power of shared meals.

Because the best ideas often simmer around the table.

The buffet breakfast sets the teams in motion: artisan bread and pastries, freshly boiled eggs, fresh fruit, squeezed juices. People meet and talk. The day gets off to a good start.

Coffee breaks invite you to pause and recharge, with homemade treats, seasonal fruit, and a selection of hot and cold drinks. Energy runs high and so do your discussions.

The lunch buffet is made for sharing.
Seasonal produce, dishes served by the chef, home-made desserts. Teams mingle, and progress comes naturally.

The aperitif helps everyone unwind;
a plated dinner brings people closer.
Seasonal menu, perfect pairings.
You chat, celebrate and build momentum.

And then the evening unfolds...
Roles fade; personalities shine through.
The unexpected happens, the karaoke takes centre stage, the collective comes alive.

Crafted around seasonal, home-made meals,
conceived by passionate chefs and their teams,
our cuisine brings *a unique flavour to your seminar.*

by Chateauform

At Chateauform, we craft meeting experiences that blend collective performance, humanism and responsible commitment.

As a mission-driven company since 2022,
our impact is not just a statement.

Our societal commitment is embedded in our articles of incorporation and overseen by an External Mission Committee, along with independent audits from a Third-Party Organization (audit score 2026: 92/100)

In each of our houses, we focus on three core goals: **zero waste, low carbon emissions, and a positive social impact.** To ensure these ambitions are met across all our houses, we follow **10 shared commitments**, applied across Europe and brought to life by each team, in harmony with its environment and the identity of each house.

CSR action of the house

At Château de Fillerval, preserving the natural environment goes hand in hand with celebrating the house's heritage. The 40-metre plane tree that dominates the park is estimated to be around 400 years old. Planted in the 17th century and carefully preserved today, it is a remarkable part of the estate's natural heritage. In keeping with Fillerval's astronomical history, a partnership with the Thury Observatory also invites guests to discover astronomy through bespoke activities

Chateauform,

80 venues. 7 countries. A unique signature. Since 1996, Chateauform has reinvented the art of corporate hospitality.

Across every location, one shared promise: an inspiring setting, a homely atmosphere and a deeply human approach.

From our country houses to venues in the heart of Paris, we offer more than just events: we create **meaningful experiences and impactful encounters.**

As a mission-driven company since 2022, we have a simple conviction:
