

CHATEAUFORM

NUMBER 1 FOR SEMINARS IN EUROPE

Our vision

A green retreat

In the country, something is different.

A calm presence settles over the space. Tensions dissolve. Teams connect. And your seminar objectives come into focus with new clarity.

Our venues are more than just locations: they're houses steeped in history, nestled in nature, where productivity thrives *because you can truly breathe*. A host couple and their team are always on hand, with that added warmth that keeps everything running smoothly and transforms a meeting into a pivotal moment.

For us, nature is not a backdrop; **it is a vital force that supports your goals**. It refocuses, unites, and creates connections when slides just aren't enough. A country path becomes a space for brainstorming. A wooded park, a setting for team building.

In nature, everything flows. Discussions deepen. Decisions take shape. You leave recharged, united... and ready to move forward together.

**For 30 years,
Chateauform has turned country homes
into accelerators of ideas, connection & performance.**

Teams align naturally...
and create impact instantly.

La Villa Gallarati Scotti

An 18th-century Lombard villa
adorned with Baroque frescoes.

*A touch of history.
a world of inspiration...*

The charm of an aristocratic Italian villa, *30 minutes from Milan and Linate airport*

At La Villa Gallarati Scotti, modernity and classicism live in perfect harmony. This 18th-century residence, a fine example of the Italian art of living, combines beautifully preserved Baroque frescoes with a quadrangular courtyard garden and extensive parkland dotted with romantic statues and fountains.

The villa offers 79 bedrooms inspired by the country retreats of Milanese aristocracy and 17 meeting rooms, including a light-filled auditorium with spectacular exposed roof beams, seating up to 110 participants.

Every day, the Chef creates colourful, generous dishes using seasonal produce, perfectly in tune with the warm atmosphere of the House.

Just 30 minutes from Milan, Italy's capital of fashion, design and opera, the villa offers an ideal base for discovering Lombardy while staying close to the energy of the city.

With its expansive park, statues, Baroque frescoes and centuries of Lombard history, the villa offers plenty to discover between meetings, with something new to explore around every corner.

La dolce vita.

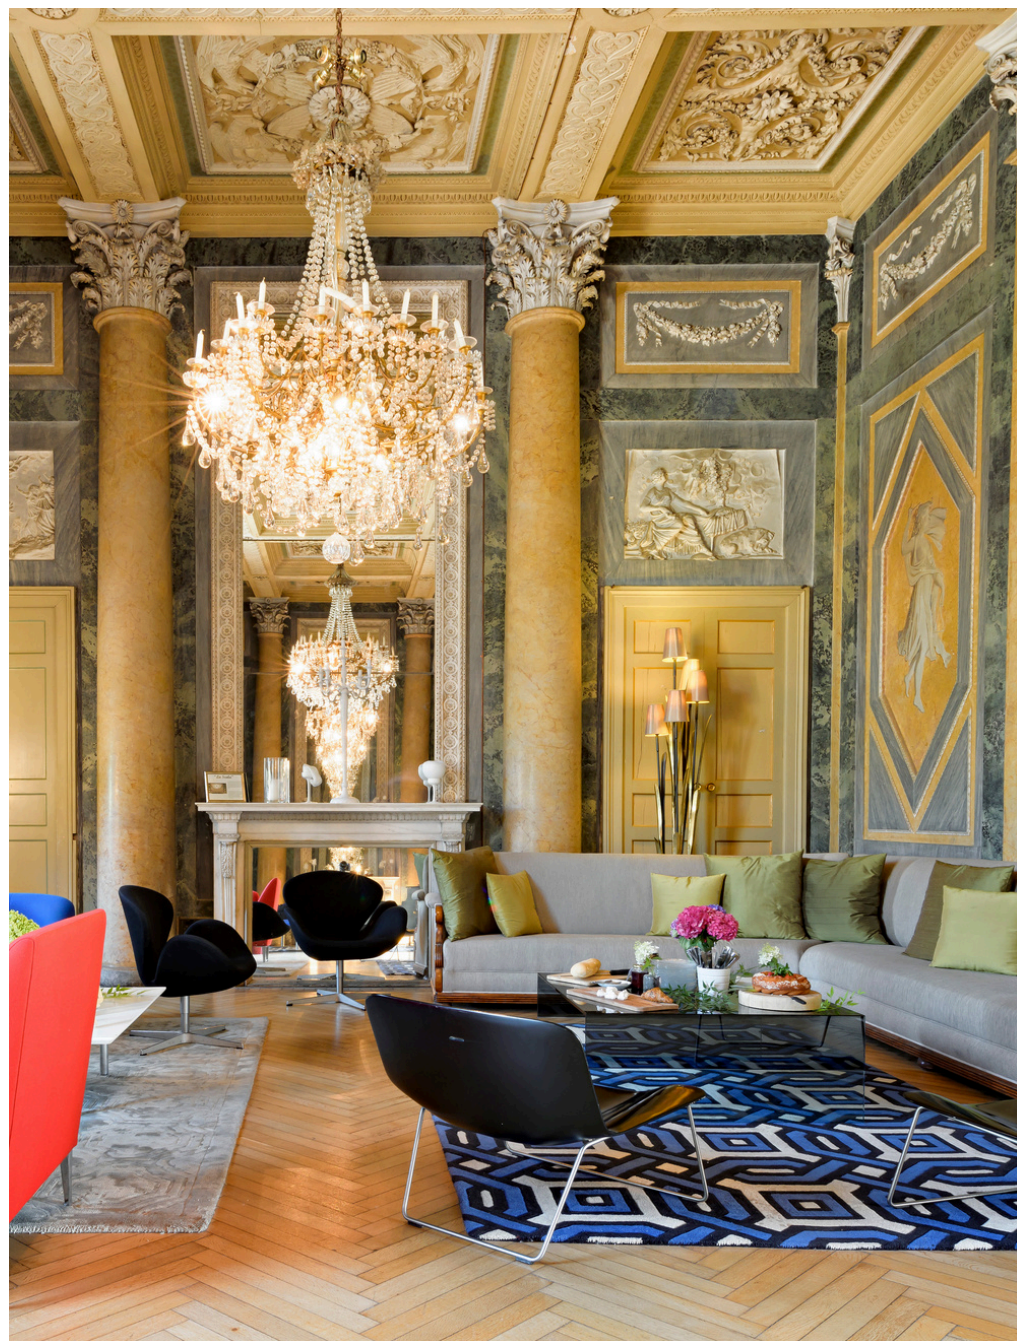

bringing out the best in every meeting.

Baroque elegance,
sweeping parkland,
*an atmosphere
all its own...*

Our favourite feature

The Baroque frescoes – a glimpse into Milan's aristocratic past.

Beautifully preserved, these 18th-century frescoes tell the story of a villa that has stood the test of time without losing its character. Between sessions, a stroll through its salons offers a welcome change of scene and a little fuel for creativity.

The Chateauform cuisine, *the beating heart of your seminar*

At Chateauform, we believe in the power of shared meals.

Because the best ideas often simmer around the table.

The buffet breakfast sets the teams in motion: artisan bread and pastries, freshly boiled eggs, fresh fruit, squeezed juices. People meet and talk. The day gets off to a good start.

Coffee breaks invite you to pause and recharge, with homemade treats, seasonal fruit, and a selection of hot and cold drinks. Energy runs high and so do your discussions.

The lunch buffet is made for sharing. Seasonal produce, dishes served by the chef, home-made desserts. Teams mingle, and progress comes naturally.

The aperitif helps everyone unwind; a plated dinner brings people closer. Seasonal menu, perfect pairings. You chat, celebrate and build momentum.

And then the evening unfolds...

Roles fade; personalities shine through. The unexpected happens, the karaoke takes centre stage, the collective comes alive.

Crafted around seasonal, home-made meals, conceived by passionate chefs and their teams, our cuisine brings *a unique flavour to your seminar.*
