## Building Nests

### Collaborative / Useful to local wildlife / CSR

Life in nature and in the forest is becoming increasingly scarce, leading to a loss of natural habitats for birds in our country.

Divided into teams, you'll face the challenge of building several nesting boxes for a specific species:

- Measuring and marking the wood.
- Saw the boards to the required size with a handsaw.
- Drill the holes using the battery-operated drill.
- Screw the parts together.

At the end, the nesting boxes will be hung up to welcome new bird families.
