You want to create memories, do things together, celebrate, let it flow, enrich your meetings... We've got just what you need!

Manon, your Magic planner

Take up the Mas challenge!

At Mas Sant Joan, an age-old secret is passed on to each guest... It's this secret that your participants are invited to discover during this challenge. It's also an opportunity to get to know each other better, build team spirit and discover the site in a fun way. Supervised by us, your participants, divided into teams, will face sporting challenges adapted to their profile.

Which team will be the quickest to find the secret so well kept by their host couple? The winners are honoured at a convivial awards ceremony...

The Mas Tapas competition!

You'll be divided into teams and each team will have a working station with all the necessary kitchen utensils. You have a large table at your disposal, which is your "Market", a real delight of colours, scents and flavours.

Each team chooses the ingredients they want to use to make 2 types of cold tapas and one hot tapas. Once the competition is over, the tapas must be presented to the Mas Jury! Please note that you will be judged on 3 criteria: taste, presentation and sales arguments. 3, 2, 1! Get your tapas on!

This activity can be staged if the whole house is rented exclusively. Ask your magic planner for more details.

Ceramics workshop

Do you want to spend a different moment and create your own memory of Mas Sant Joan?

The ceramics workshop is ideal! You will be guided by a professional, Anna, who will support you by explaining her tips for making your own fish pottery.

Once the contours and internal partitions have been made, you can decorate it with pieces of glass and apply blue tint. When you bake it, the glass will melt, leaving a highly original decoration!

A unique workshop to spend some quality time together!

Will you be creative?

Warning -> The workshop can only be held if the seminar lasts at least 3 days so that the creations can be dried and baked!

Burricleta ride

Want to discover the region in all its glory?
Leaving from Le Mas, we'll be taking you on an electric bike ride over the very well-preserved Sant Feliu de la Garriga castle!

After that, you'll climb up a little higher for a beautiful view of the Gulf of Roses, before passing through two small villages and finally ending up facing the sea in the charming little village of Sant Marti d'Empuries! In the programme, 22 kilometres of effortless riding to discover part of the Empordà region as a team!

Adventure from Empuries to Burricleta

It's an activity that combines orienteering with a GPS on an electric bike and tests on the theme of the arrival of the Romans in the Empordà!

Each group is independent and autonomous and benefits from the support of an instructor who supervises the running of the activity.

Each team will have to collect as many stars as possible! Finally, everyone will meet up at the ruins of Empuries for a performed tour of the site before returning to the Mas.

Visit to the Dalí Museum in Figueres

The Dalí Theatre-Museum in Figueres is a unique opportunity to observe, experience and enjoy the work and thoughts of a genius.

It contains the widest range of works describing Salvador Dalí's artistic trajectory, from his early artistic experiments and Surrealist creations to the pieces of work of the last years of his life.

And if you have the time, why not take the opportunity to visit Figueres?

The medieval Catalonia of Pals and Peratallada

We invite you to discover the historic and medieval face of the region, the villages of Pals and Peratallada.

At the top of a hill, set into the rock, the Romanesque tower dominates the medieval walls of Pals. Inside, in a maze of narrow streets, you will discover magnificent houses and beautiful spot corners. Just a few kilometres from Pals, Peratallada has also preserved its walls, where inside a palace and various medieval quarters offer a pleasant stroll back in time.

Video dubbing

Communicating a corporate message linked to the objectives of the meeting by dubbing a commercial: that's the challenge facing the teams taking part in this fun experiment. We provide each team with two iPads containing the video file without audio, as well as several sound and music effects applications.

Using these resources, you need to create a new dialogue and sound effects script to communicate a new message.

You will need to test the synchronisation of the dialogue and audio elements with the predefined images because the next step will be to run them in a Live session with the other participants.
