Do you have any additional requests? Our curated collection of unique animations.

TEAM BUILDING • CONFERENCES • SERIOUS GAMES

The Magic Planners

Châteauform'

Révétons vos talents

An animation... But why?

- To say thank you
- To get to know each other
- To unite
- To reveal hidden talents
- To engage
- To learn
- To give birth to new ideas
- To dream and marvel
- To be amazed
- To arouse emotion
- To create memorable memories ...

Our Selection of Special Animations is there **to support each team, each challenge.**

To ensure you have a seamless experience, our partners have all been carefully tested and selected.

Our criteria? Relevance, listening, flexibility and originality. In French, just like in English.

PPSSST! Beyond this selection, we will be happy to advise you on other activities, ask us!

Your Châteaufort teams

SUMMARY

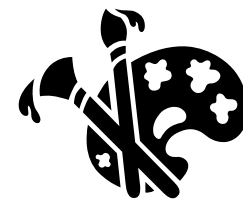

Live the experience at Château de Suduiraut

Weaving the link(Cohesion)

Get involved (Solidarity & CSR)

Create together (Imagine & Design)

Recharge your batteries (Reconnect with yourself & get started)

Get inspired (Conferences, Workshops & Serious Games).

Celebrate (Evenings & Awards).

Ride on electric all-terrain vehicles

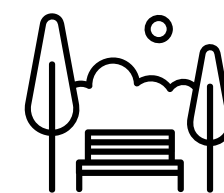

Effortless and user-friendly, with a swift initiation, you will have the opportunity to explore our region alongside a guide. Two routes, overseen by a qualified guide, will be available:

The tour of the five châteaux (Rayne Vigneau / La Tour Blanche / Lafaurie Peyraguey / Rabaud Promis / Sigalas Rabaud): This approximately two-hour walk will traverse the Sauternes and Bommais vineyards.

The Ciron Valley: This time, a moderately more vigorous walk, lasting 2 hours along the Ciron, traversing one bank before returning along the opposite bank, concluding amidst the vineyards.

Gourmet cycling

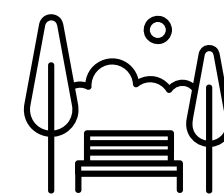

Embark on a cycling excursion through Sauternes.

Explore the regional products of Bordeaux and its vineyards that contribute to the allure of Sauternes.

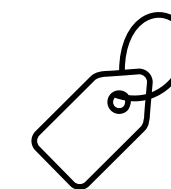

You will visit Château du Sauternais, where, during the wine tasting, local products from our regional producers will be served to you, with the assistance of the chef. These offerings may include duck scratchings, sheep's cheese, Bordeaux cannelés, and more. Naturally, these products will complement the wine tasting experience.

Canoeing on the Ciron River

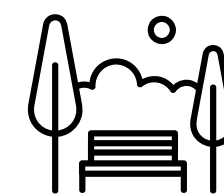

At a leisurely pace, glide through the tranquil waters and uncover the treasures of this river, nestled beneath the forest canopy, where its mills and castles emerge along the banks.

From the pines of the Haute Lande to the esteemed Sauternes vineyards, you will come to appreciate the full richness of this region and its river.

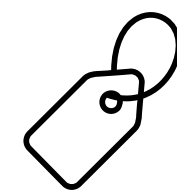

Trails nestled in the heart of nature within the Gorges du Ciron invite exploration of the diverse fauna, flora, and heritage that define the river. Beneath the canopy of the gallery forest, the Ciron provides a pristine environment alongside the water.

Bordeaux Rally : discovering Bordeaux's culture

This mission will embark you on an extraordinary quest within the heart of the splendid city of Bordeaux.

Are you inquisitive? Do you possess a keen sense of smell?

Are you familiar with the processes of smelling, tasting, guessing, and thinking?

What are your culinary preferences regarding gastronomy?

What remains of your five senses?

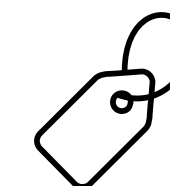

This rally is devoted to an investigative game, serving as a pretext for an enjoyable exploration of Bordeaux.

Discover the legend of the castle!

In every Chateauform residence, a sometimes centuries-old secret is conveyed to each guest...

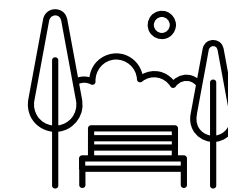

This is the secret that your participants are encouraged to uncover during this challenge. It also presents an opportunity to foster deeper connections, enhance team spirit, and explore the site in an enjoyable manner.

Under our supervision, your participants are organized into teams that compete along a course, guided by a "road book" in your company's colors. Numerous challenges enable you to acquire the essential "key" words needed to complete the renowned challenge.

Which team will be the fastest to uncover this secret so carefully guarded by your host couple? The winners will be celebrated during a convivial awards ceremony...

The Climate Fresk

Through the Climate Fresco, participants collaboratively create an authentic “Fresque” of climate change, encompassing human origins, human consequences, and purely climatic mechanisms.

The Climate Fresco not only draws upon scientific knowledge but also emphasizes creativity and group cohesion: participants are required to illustrate their observations, collaboratively select a title, and underscore key messages, among other tasks.

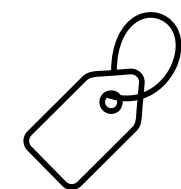

Organized into four phases—reflection, creativity, restitution, and debriefing—this engaging and interactive workshop will enable you to thoroughly comprehend a problem, facilitating the discovery of solutions and the implementation of action.

Motivating and captivating conference

With Emmanuel Hussenet, a polar expedition guide, lecturer, and essayist, his experiences of survival on the ice floe illuminate the relationship between humanity and nature on a realistic, philosophical, and symbolic level. He is the author of works such as **Le Testament des glaces**, **La légende des Pôles**, and **Robinson des glaces**, which have collectively garnered five literary awards.

Olivier Hamant is a French researcher specializing in biology and biophysics. He draws inspiration from his research to promote a societal model rooted in the principles of living systems, emphasizing robustness over mere performance.

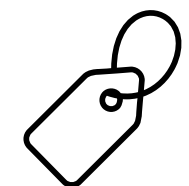

On the theme: “Comprehending to Act More Effectively: How Living Organisms Instruct Us to Be More Resilient”

Carbon Footprint

A 1.5-hour conference designed to assist your teams in identifying their individual carbon footprints and motivating them to take action.

Carbon Diagnostic enables your team to comprehend their individual carbon footprint and take proactive measures. Following an introduction to the climate context, participants assess their personal carbon footprint through a narrative format. Upon completing this assessment, each individual receives a customized graph and can select commitments to mitigate their footprint.

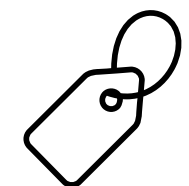

Carbon Diagnostic / MYCO2: offers a seamless, turnkey experience that is simple to implement, enabling you to involve your employees in energy and climate matters without establishing a gas factory.

1h30-2h

Wine Making Academy

You must exercise creativity to ensure that your vintage is regarded as the “Golden Vintage” rather than the “Piquette of the Year”!

The animation commences with the establishment of teams and the introduction of the scenario by your sommelier facilitator: you inherit a vineyard. The production of your wine will utilize single grape varieties. Assistance and guidance will be provided by the sommelier facilitator. Development of the narrative and marketing strategy for your wine. Creation of your label.

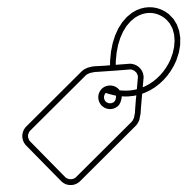

The jury then conducts a tasting to evaluate the various vintages produced. This assessment is concluded with a final presentation from each team, or the top three teams in the case of a large group, showcasing their domain, history, wine, and bottle. Announcement of the results and the awards for “Piquette of the Year” and “Golden Millesime.” Presentation of the accolades to the winning team.
